

AMERICANS SEEK DAVIS TENNIS CUP

Through the United States Association Yankees Challenge for World's Trophy.

TO PLAY IN GREAT BRITAIN

Team Will Be Selected From These Players—Ward, Wright, Alexander, Collins, Hobart.

NEW YORK, February 22.—Formal challenge for the Dwight F. Davis international challenge cup, the world's championship trophy of the lawn tennis courts, was cabled to the English Lawn Tennis Association yesterday and a copy of the challenge follows by mail. This action on the part of the United States National Lawn Tennis Association conclusively settles the question of an American team again competing for the cup held by the British this year.

The cabled challenge was sent to G. R. Newburn, honorary secretary of the English Lawn Tennis Association, London. It was signed by Frederick G. Anderson, Kings County Lawn Tennis Club, Brooklyn, chairman of the committee on the international challenge. Dr. James Dwight, of Boston, president of the national association, and Raymond D. Little, West Side Lawn Tennis Club, of this city.

It is expected that the Americans will be called upon to meet the representatives of five nations in the preliminary tournament. These will include players of Australia, France, Germany, Belgium and Sweden.

The make-up of the team will not be announced for some weeks. For the talk of the followers of the sport in this city it is probable that the American team will be selected from Beals C. Wright, national champion in singles, of the Longwood Cricket Club, Boston; Holcombe Ward, former champion and holder of the national doubles title with Wright, of the Orange Lawn Tennis Club, New York; B. Alexander, West Side Lawn Tennis Club, of this city; Kreigh Collins, Westchester Lawn Tennis Club, Kenwood Country Club, Chicago, and Clarence Hobart, Orange Lawn Tennis Club.

NEW YORK, February 22.—After a hard-fought three-set match, Theodore Roosevelt Pell, a relative of the President, won his bracket in the semi-final round yesterday in the city of the championship singles of the indoor lawn tennis tournament. The competition was the best of the many played upon the courts of the city. Pell, of the Longwood Cricket Club, Boston, defeated Morris S. Clark, rated as one of the foremost experts of the metropolitan district, by the score of 6-4, 6-7 and 6-1. Irving C. Wright, the national champion, also made his appearance, winning in straight sets from King Smith. Despite the poor light, eight matches were decided in four singles and one in the championship doubles. In the latter Edwin P. Fisher and Hugh Tallant scored a well earned victory over the Longwood Cricket Club, H. L. Westfall and J. W. Anderson.

COLORED FIGHTER PUTS BRITT ON THE SCALES

If Jimmy Doesn't Establish His Fortitude Countdown Will Break Loose.

(By Associated Press.)
SAN FRANCISCO, February 22.—Joe Gans last night sent the following communication to the local newspapers: "I have one more proposition to make to Britt. I want to fight him again and I leave it to the public if it is not fair. Let the fire and police departments get a special permit from the mayor and run the show. If Britt wins he can take all of the fighters share and invest in more flats. If I win I will give all of my share to the charities of the above named departments. I want to say that I have not a dollar to my name and I will have to borrow to pay my training expenses. If I can afford to box for nothing and with nothing, why cannot Britt, who has thousands of dollars stored away? The weights is to be 125 pounds at 6 o'clock. He can also have his brother William to referee or anyone else that he wishes. The only thing that I insist on is that the referee all bets off before we start. If this does not suit Britt, let him make his own proposition."

CLEVER 'FRISCO FIGHTER'S FEET SAVES CHAMPIONSHIP

ABE ATTELL.

ATTELL RETAINS FEATHER TITLE

San Francisco Fighter Gets Decision Over Jimmy Walsh in Championship Contest.

WON IN FIFTEENTH ROUND

Clever Foot Work and Not Force of Blows Did the Business.

(By Associated Press.)
CHELSEA, MASS., February 22.—Although lacking an effective punch, Abe Attell, of San Francisco, successfully defended his title to the American feather-weight championship by winning the decision over Jimmy Walsh, of Newton, Mass., in a 15-round contest before the Lincoln Athletic Club tonight. Both boys were very fast and reached a hard fight frequently, but none of his blows had power enough to floor Walsh, or even stagger him.

For the first five rounds the bout was featureless. In the sixth, however, Attell dealt some very clever blows and his clever foot-work enabled him to get away from Walsh's return. The champion rushed the Newton man about the ring and succeeded in bringing blood by a suit jab to the nose. Walsh rallied in the seventh, however, and landed several good punches so that the round was practically an even one. Attell, however, went after his man in the eighth and after an exchange of hard right hands, Walsh's face, which cut his lip. Walsh was bleeding profusely when the going sounded.

Attell also had an advantage in the ninth round, but in the tenth Walsh rallied gamely and chased his opponent about the ring. After this round the contest was entirely in favor of Attell.

Lajoie's Men Off to Hot Springs.

CLEVELAND, O., Feb. 22.—The advance guard of Lajoie's Napoléons to-night left the trail for the land of sunshine, leaving here at 6 o'clock over the Big Four for Hot Springs, Ark., for training purposes. Those in the party were Benita and Bulwer, catchers; John Bernhard, Townsend and Hawk, pitchers, and Turner, shortstop. Pitcher Rhoades will join the party at St. Louis. Bernhard will have charge of the squad along the team at Atlanta next month.

Those who left to-day have signed contracts except Townsend. The club expects to come to an agreement with him later. Joe Gosholt (7 to 1) third. Time, 1:17.

National Tennis Winners.

(By Associated Press.)
NEW YORK, February 22.—The championship tennis tournament on the courts of the Seventh Army provided the best sport of to-day's continuation of the meeting. Hackett and Alexander, formerly of Yale and Princeton, respectively, won places in the final round of these events by capturing the first of the semi-final matches.

Sporting Small Talk.

Magee has signed his contract with the Phillies.

Catcher Barton, of the Athletics, has been sold to Providence.

Howard Smith, of Elizabeth, N. J., gave Clarence Forbes the hard count in a three-round bout in New York.

The new eight-armed sled made by Ward was delivered on Saturday. It is a three-armed sled, and is being used by the Cary Street commission men who are struggling with a slight egg market.

Marvin Hart and Tommy Burns will meet in a 30-round bout at Los Angeles on Friday night. Jim Jeffries will witness the contest.

On Monday night at Peoria, Ill., Otto Eileoff, of Chicago, and Barney Pursey, of Cincinnati, fought 10 fast rounds before the Riverside Athletic Club to a draw.

Eggs Plentiful and Cheap.

The spring-like weather in January and February has put the Virginia hens in active business, and put them to laying to beat the land.

At the Cary Street commission men who are struggling with a slight egg market, fresh Virginia eggs are being wholesaled at 12 cents, and the retail men are offering them all over the city at 13 to 15 cents.

GINTER PROPERTY ON THE MARKET

Lewis Ginter Land and Improvement Company Throws Its Banner to Breeze.

CHOICE SUBURBAN SITES

Sales of Realty Were Made Yesterday in Spite of Being "Holiday."

A considerable boom was given to the active real estate movement by the announcement that the property around the Union Theological Seminary, known as the Ginter estate, is to be sub-divided and put on the market.

At the office of the company, 821 Mutual building, last week, the Lewis Ginter Land and Improvement Company was organized under its charter, granted by the Legislature in 1901, with Thos. F. Jeffress as president; Miss Grace B. Arenis as vice-president; H. L. Campbell, secretary and treasurer, and C. T. Watkins, manager.

This company has bought from George Arenis and Thos. F. Jeffress, trustees, all the real estate held by them under the will of the late Lewis Ginter, and will immediately commence to actively market the beautiful suburban sites, so delightfully situated north of the city, amongst the splendid buildings of the seminary and the large and attractive estates of Laburnum, Westwood, Westbrook, Brook Hill, etc.

As the planting and road building improvements, water-works and sewers upon this property were done some years ago, the trees, shrubs and roads are now in a condition for immediate occupation and pleasure, which only age and care will produce.

Residences Adjacent Seminary.

The Lewis Ginter Land and Improvement Company will very shortly let contracts for a number of houses to be located upon the property adjacent to the seminary, and as several lots have recently been sold to parties who contemplate immediate building, this vicinity will soon assume very considerable activity.

Several of the houses have also been sold to young men who will establish their own homes where they will have all the comforts of a city house with pure air and plenty of light and air.

This beautiful property, which is perfectly developed and left until the city was ready for it, has as far only as any effort to market it is concerned, lain fallow, is now ripe and ready for settlement by the most fastidious suburban candidate, and will without doubt be rapidly taken by discriminating purchasers.

One of the first moves of the Lewis Ginter Land and Development Company will be to erect 6 or 7 beautiful homes on their property with all modern improvements, and will sell the spacious lots and houses to purchasers who wish to live in that section.

The promoters of the Central Woman's College are thinking seriously of locating that institution in this section, and if they do so decide, a magnificent building will be the result in the near future. With Mr. Joseph Bryan's new home, the Theological Seminary and the Central College, suburban property in this section will be more desirable.

Yesterday's Sales.

As compared with other recent days, yesterday was a little dull in the general real estate market, because some of the buyers and sellers were patriotic enough to remember George Washington and the Pilgrimage, and to take at least a half-holiday. Nevertheless, there were sales and rumors of sales. Messrs. N. W. Bowe & Son yesterday sold for C. Williams, Jr., 236 feet on Grace Street, near Allison, The Woodlands, Oak Dining Chairs with embossed leather backs and seats, handsome Quilted Oak Chamber Suits, the Walnut Chamber Suits, Parlor Suits, etc., at auction.

N. W. Bowe and Son report having sold a piece of property on Floyd Avenue for about \$200. The same company also sold the property at 308 West Grace Street, the details of which are not for publication at this time. N. W. Bowe and Son have also sold the property at No. 145 West Clay Street for \$1,550.

The A. J. Chewning Company sold at public auction yesterday afternoon the property 401-403-405 North Main Street for \$4,100 to Mr. A. M. Cannon.

At the same sale the Rev. J. R. Griffith bought No. 311 West Clay Street for \$2,500. A large crowd attended this sale and the bidding was extremely brisk.

Daily Court Record

Law and Equity.
Decrees entered yesterday: B. Carreras vs. A. Moschetti, et al. Order of Injunction. Mary A. McManus vs. John J. Hart. A decree of reference.

The Courts.
Most of the courts took holiday yesterday, and there was a Sunday feeling on the second floor of the Courthouse. On the basement floor Justice Crutchfield ignored the national holiday and held his morning levee as usual, and on the fourth floor a little business was done in the Law and Equity Court. There will be no session of the Circuit Court until to-morrow's session of the Hustings Court will be given over to civil business.

New Firm Takes Hold.
Mr. H. T. Rainey, who for years has been closely identified with the commission business on Cary Street, has purchased the interest of Mr. S. H. Rainey in the wholesale grocery and staple grocery business at No. 17 North Seventeenth Street. The business has been opened up under the new firm name of H. T. Rainey and Company. The business has been enlarged, and Mr. Rainey's long experience and knowledge of the market and business conditions, are a guarantee that it will continue to grow.

Enlarged Manufacturing Plant.
The Richmond Foundry and Manufacturing Company, formerly the A. A. Snyder Company, has secured quarters on the basement floor of the Packing Company's plant as soon as the buildings have been made ready for occupancy. The new building is located on the Cary Street location to the new place. The enlarged concern will give employment to about two hundred men.

Richmond's New Bank.

It is expected that the new Richmond National Bank will open up for business within a few days. The bank will be located in the Mutual building, No. 905 East Main Street, and will start off with a paid up capital of \$200,000. It is not yet understood who will be the officers, but it is understood that Mr. W. K. Myers will be the president.
